

Merrill mSHARE allows you to instantly create an online marketing campaign that can reach hundreds – even thousands of people by linking to over 150 social media services!

Here's how it works. After your personalized item is created and purchased, the order confirmation page will display a list of social media logos. Select the sites you'd like to use to share your product. Feel free to share anytime by going to **My Projects >Orders** from the top of the page.

There are over 150 different social media services available for use with the mSHARE service and you can use as many of them as you choose.

To use the Mail (✉) feature, simply add e-mail addresses manually or select from Gmail, Hotmail or Yahoo address books. Add a personal note and hit send.

In a matter of minutes your marketing will be viewed by your sphere of influence. Be sure to send your colleagues a copy as well and let them spread the word.

Merrill mSHARE™ Showcase your brand to the world!
